

THE VERDICT ON TUESDAY.

SLIGHT CHANGES BY THE LATEST FIGURES. CORNELL'S PLURALITY FROM 35,000 TO 30,000—A PROBABLE REPUBLICAN TRIUMPH IN VIRGINIA—THE PENNSYLVANIA REPUBLICAN MAJORITY FROM 51,000 TO 53,000.

Cornell's plurality in New-York is now estimated at from 35,000 to 40,000. The returns thus far received on the remainder of the State ticket indicate that official returns will be required to decide the result. The Senate is three-fourths Republican, and in the Assembly the Republicans have three-fourths of the members. Full details of the result on the State and local tickets are given in other columns.

Almost complete returns from Massachusetts give the Republicans over 13,000 plurality for Governor.

The Connecticut Legislature will be Republican by over 90 majority on joint ballot. Last year the Republican majority on joint ballot was 47.

The Republican majority for State Treasurer in Pennsylvania continues to grow with receipt of official returns, and it is now estimated at from 51,000 to 53,000.

In New-Jersey the Republicans have made large gains in the Legislature, and probably will have a majority of 3 in the Senate and 18 in the House. They had a majority of 7 on joint ballot in the last Legislature.

In Mississippi the Democrats were generally successful, but a few Greenback and Independent members of the Legislature were elected. The Democratic judges in De Soto County burned one of the ballot-boxes.

Minnesota returns come in slowly, but the Republican majority is still estimated at about 10,000.

Nebraska politicians estimate the Republican majority in that State at from 10,000 to 11,000. The returns are very meagre.

The result in Virginia is in doubt, but the indications point to a small Republican majority in the Legislature.

The Democratic majority in Maryland is estimated at from 17,000 to 20,000.

In the local elections in Illinois and Kansas the Republicans were generally successful.

The returns from Wisconsin indicate a Republican majority of 25,000.

NEW-JERSEY.

A STRONG REPUBLICAN LEGISLATURE. A PROBABLE REPUBLICAN MAJORITY OF 2 IN THE SENATE AND 18 IN THE HOUSE.

The latest returns from New-Jersey indicate a Republican majority of 13 in the Senate and 18 in the House. This would be a net gain of 1 Senator and 7 Assemblymen. The Senate will be composed, probably, as follows (Republicans in roman and Democrats in italics):

NEW-YORK CLOSE.

THE STATE TICKETS CLOSE TOGETHER. CORNELL'S PLURALITY UNDIMINISHED—THE VOTE ON LIEUTENANT-GOVERNOR VERY CLOSE—A POSSIBILITY THAT THE OFFICIAL COUNT MAY BE NEEDED TO DECIDE WHETHER POTTER OR HOSKINS IS ELECTED.

Mr. Cornell's plurality seems slightly increased, and is now estimated at more than 30,000. The vote on Lieutenant-Governor is very close between Potter and Hoskins, and the official vote may be needed to decide. Potter's majority in New-York and Kings Counties is 57,168, and Hoskins's plurality in the State outside of New-York and Kings County is estimated at 57,000. Only about one-third of the whole number of towns have been heard from, however. Returns upon the other candidates are inconclusive, but seem to show that Wadsworth is running ahead of Hoskins. The result upon all of the State officers before Governor is still in the dark. Soule, Republican candidate for State Engineer and Surveyor, runs behind.

The Legislature is overwhelmingly Republican. The Republicans elect 24 Senators out of 32, and 91 Assemblymen out of 128—within seven of the almost unprecedented number of Republican Assemblymen elected last year.

DEMOCRATIC DISTRICTS REDEEMED. (BY TELEGRAPH TO THE TRIBUNE.) MIDDLESEX, Nov. 5.—The Republicans in the XIIth District have gained a victory, electing Madden (Rep.) Senator over Sears (Dem. and Farmers' Alliance) in a Democratic district by 800 in Sullivan and 1,700 in Orange Counties. Sullivan County Republicans made a close run on the county ticket. The Republicans in Orange County elect both Assemblymen, Shunt and Waterbury, the latter in a Democratic district (II), by 100 majority over Broadhead, who had been renominated. B. B. Odell, of Newburg, received 650 for Sheriff, Charles B. Gray 350 for County Clerk. Cornell in the county has 1,200 majority, Hoskins and the State ticket 700, and Kelly has at least 500 votes.

M. D. STIVERS, Editor Press.

CHESTER NEWS FROM DELAWARE COUNTY. (BY TELEGRAPH TO THE TRIBUNE.) DELHI, Nov. 5.—Robert Beales, Republican, is elected to the Assembly by 504 majority. All of the Republican candidates in Delaware County are elected. Cornell's majority is 361, and Hoskins's is about 600.

JONAS M. FRISTON, Chairman County Committee.

SENATOR-ELECT KILL'S MAJORITY. (BY TELEGRAPH TO THE TRIBUNE.) LITTLE FALLS, Nov. 5.—I am elected by about 3,300 majority.

ALBERT M. MILLS.

A MAJORITY OF 2,300 FOR SENATOR ROBERTSON. WHITE PLAINS, Nov. 5.—The election of Waldo Heatsman (Dem.) to represent the XIIIth Congressional District is generally conceded. Senator Wm. H. Robertson (Rep.) representing the XIIIth Senatorial District of this State, comprising Westchester and Rockland Counties, is reflected by 2,300 majority, the largest majority he has received since 1872. D. Oden Bradley (Rep.) is elected to represent the new 1st Assembly District by a majority of 251. Wm. H. Catlin (Dem.) of Ithaca, is elected from the IIIrd Assembly District, by about 275 majority. The reflection of David W. Travis (Rep.) from the IIIrd Assembly District is conceded. The majority of James C. Williams (Rep.) for sheriff, is estimated at 1,500. John M. Rowell (Dem.) the present County Clerk, is believed to be reflected by a small majority over Cyrus Lawrence (Ind. Rep.).

THE VICTORY IN WASHINGTON COUNTY. (BY TELEGRAPH TO THE TRIBUNE.) PORT EDWARD, Nov. 5.—Cornell's majority in Washington County increases as the reports from back towns come in, and will be nearly or quite 3,500. There was no scratching, excepting in the town of Whitehall. Isaac V. Baker, Jr., has a running majority for Senator, carrying Senator Hughes's own town by nearly 200. Two Republican Assemblymen are elected—George L. Terry and Hiram Sisson.

A GOOD RECORD IN ORANGE COUNTY. (BY TELEGRAPH TO THE TRIBUNE.) NEWBURG, Nov. 5.—Cornell's plurality in Orange County is estimated at 1,500. Shunt (Rep.) has 1,000 majority for the Assembly in the 1st District.

THE VOTE IN RICHMOND COUNTY. NEW-RICHMOND, Nov. 5.—Majorities are as follows: Beach, 1,025; Oieout, 1,487; Mackin, 1,117; Schwanke, 914; Seymour, 1,867; Hogan, Tammany candidate for Senator, 1,589; Fiske (Rep.) for Assembly, 458. The Republicans elect their Sheriff, Coroner and Superintendent of the Poor, and the Democrats elect only their County Treasurer.

REPUBLICAN MAJORITY IN DUTCHESS. PUTNAM, Nov. 5.—Cornell's majority in Dutchess County complete is 1,553. Hoskins's majority will be about 1,600, and the remainder of the State ticket about the same. Kelly received about 500 votes in the county. Wendover (Rep.) for Senator has 2,378 in this county, and is elected by an overwhelming majority. Pitcher (Rep.) and Carpenter (Rep.) are both elected to the Assembly.

A GOOD MAJORITY FOR SENATOR WINSLOW. OHLAUS, Nov. 5.—Ellis (Dem.) is elected to the Assembly in the IIIrd District by 200 majority. The Republican candidates on the State ticket, exclusive of Governor, are elected by about 1,000 majority. Winslow (Rep.) is chosen Senator by 1,900 majority in the county. Skinner (Rep.) is elected to the Assembly in the IIIrd District.

THE DEMOCRATS CARRY SCIENECTADY. SCIENECTADY, Nov. 5.—Indications are that the Democratic county ticket is elected by a small majority.

REPUBLICAN ASSEMBLYMEN ELECTED. NIAGARA FALLS, Nov. 5.—In the IIIrd District Van Volkenburgh (Rep.) is elected to the Assembly by 1,300 majority. In the IIIrd District Lowe (Rep.) is elected to the Assembly by over 200 majority.

REPUBLICAN MAJORITY IN CLINTON. PLATTSBURG, Nov. 5.—Clinton County gives Rockwell (Rep.) for Senator, about 1,300 majority, and Moore (Rep.) for Assembly, about 1,000 majority.

GENERAL SHARPE'S HEAVY MAJORITY. (BY TELEGRAPH TO THE TRIBUNE.) KINGSTON, Nov. 5.—General Sharpe is elected to the Assembly by the unprecedented majority of 1,607 in a Democratic District. P. D. Lefevre in IIIrd District is also elected by a small majority. Robert A. Snyder, Republican, is elected Sheriff by a heavy majority. The County Clerk is still in doubt, but Childs, Republican, is probably elected. John Kelly has 755 votes in this city and about 1,700 in the county.

COMPLETE RETURNS FROM ONEIDA COUNTY. UCHA, Nov. 5.—Oneida County complete gives Cornell 863 majority, Hoskins 1,420 majority, Seymour 353 majority and Stevens (Dem.) for State Senator, 113 majority. Kelly polled 675 votes in the county.

SENATOR-ELECT HIRSHALL'S MAJORITY 563. DISPATCHES received by THE TRIBUNE say that the full returns from Suffolk County give Cornell and the Republican State ticket 280 majority; Birdsell (Rep.) for Senator, 563 majority; Carpenter (Rep.) for Member of Assembly, 1,070 majority. The Republicans elect their entire county ticket by large majorities. Sheriff, N. D. Petty; Surrogate, J.

THE CITY VOTE.

ROBINSON'S PLURALITY 13,500. THE RETURNS VERY INCOMPLETE—AN OFFICIAL CANVASS NECESSARY TO DETERMINE THE VOTE FOR ALL CANDIDATES ON THE STATE TICKET BEFORE LIEUTENANT-GOVERNOR—POTTER'S MAJORITY OVER HOSKINS 45,852—RETURNS FROM ALL THE ASSEMBLY DISTRICTS WITH MANY ELECTION DISTRICTS STILL MISSING—AN EXTRAORDINARY ELECTION.

The returns of the election on Tuesday which THE TRIBUNE is enabled to publish this morning are more nearly complete than any which have thus far been given to the public; but owing to the extraordinary features of the election—the great number of split tickets, and the "swapping" among candidates for minor offices for votes for the county officers—it is utterly impossible to give the actual figures. Results are shown only on the vote for Governor and Lieutenant-Governor. As far as the rest of the State ticket is concerned, it is impossible at this time to say how far ahead or behind the candidate for Lieutenant-Governor the other candidates have run. General Wadsworth, Mr. Wendell, and probably General Ward have run ahead of Mr. Hoskins, while Mr. Beach, for Secretary of State, on the other hand, has had a more vigorous support from Tammany Hall than the other Democratic candidates have received. The result, as far as the two tickets thoroughly canvassed shows, is that Robinson has a plurality of about 13,500 over Cornell; and that Potter has a majority of 45,852 over Hoskins. In the case of some of the other candidates on the Democratic State ticket this majority will fall below 40,000 from present indications.

As to the county ticket, the Anti-Tammany candidates have been generally successful. They ruthlessly sacrificed their Senators and Assemblymen to reach this result. Bowe's plurality for Sheriff is about 6,000; that of Butler for County

THE LOCAL TICKETS. THE VOTE FOR SHERIFF, COUNTY CLERK, JUDGE OF THE COMMON PLEAS, MARINE COURT, SENATORS, ASSEMBLYMEN AND ALDERMEN.

As a matter of course, when the returns on the State ticket are incomplete, the details on other, and particularly local, candidates are imperfect. The following figures may be relied upon as substantially correct. The official canvass will not materially alter them—certainly not so much as to affect the result indicated.

CITY VOTE FOR SHERIFF. RETURNS BY ASSEMBLY DISTRICTS.

THE VICTORY IN WASHINGTON STATE.
[BY TELEGRAPH TO THE TRIBUNE.]

FORT EDWARDS, Nov. 5.—Cornell's majority in Washington County increases as the reports from 3,500 towns come in, and will be nearly or quite 3,500. There was no scratching, excepting in the town of Whitehall. Isaac V. Baker, Jr., has a round majority for Senator, carrying Senator Hughes' own town by nearly 200. Two Republican Assemblymen are elected—George L. Terry and Hiram Sisson.
